Full name of the applicant

Subject : Reference letter

Dear Sir, Madam

Having employed (full name of the applicant) from XXXX to XXXX (period of the project), I am writing this letter to recommend that you select this person to your international advertising competition, the Young Talents Challenge 2021.

Second paragraph : describe the applicant's skills, personal and professional skills, the project(s) s/he's been working on, for how long, etc

Thanks to this shared professional experience, I am entirely convinced that (full name of the applicant) will prove to be a reliable and serious challenger to your international competition, he/she will no doubt be a true added value to your competition, as they were to our company.
